Search for suitable properties: on your first visit to www.accommotel.com, just search for suitable apartments and submit your Request.

The screenshot shows the Accomotel website's search interface. On the left, there is an 'apartment search' box with dropdown menus for 'Minimum Stay - Flexible', 'Star Categories - All', 'Room Types - All', 'United Kingdom', 'London', 'Area - All', and 'Reference'. Below these is a 'Search' button and a 'Keyword Search' field. To the right, a banner features a photograph of a modern bedroom with a bed and a chair, with the text 'Serviced Apartments Extended Stay Hotels' and 'for corporate and leisure clients'. Below the banner, there is a section titled 'The Accomotel Service' and 'Serviced Apartments' with a brief description.

The screenshot shows the search results page for 'Chiswick'. The breadcrumb trail is 'Home > United Kingdom > London > Chiswick > Search Results'. Below the breadcrumb is a 'Request All' link. The main content is a table listing properties with the following columns: Town, Area, Property, Star, Price, A/Cen, WiFi, Parking, Reception, Kitchens, BIRs, Centre, and a 'Request' button for each row.

Town	Area	Property	Star	Price	A/Cen	WiFi	Parking	Reception	Kitchens	BIRs	Centre	
London	Chiswick	Chiswick Apartment	3-Star [Deluxe]	80.00	✓			✓		✓		Request
London	Chiswick	Chiswick Four	4-Star [Superior]	140.00								Request
London	Chiswick	Chiswick Hotel	3-Star [Deluxe]	80.00								Request

London	Chiswick	Chiswick Three	2-Star [Standard]	150.00								Request
London	Chiswick	Chiswick Two	2-Star [Economy]	130.00								Request
London	Chiswick	Sheng-Lu Hotel	3-Star [Deluxe]	70.00	✓						4.0	Request

At the bottom of the table, there is a pagination control showing '1 / 1' and a 'Request All' link.

Submit your first Request and Registration: on your first visit, you will automatically be prompted to Register, should you wish to proceed to submit your Request.

The screenshot shows the 'Create a New Account' form on the accomotel website. The header includes the logo, navigation links, and a phone number for reservations. The form is titled 'Create a New Account' and instructs users to use the form to create an account for an agent. It contains several input fields: Account (Email), Password, Confirm password, Title, First Name, Surname, Tel, and Company Name. There is a 'Browse...' button next to the Logo field and a 'Register' button at the bottom left.

Subsequent Visits and Logging On: The ID (email address) and password you chose upon registration will be used every time you log-on. The system will of course remember these details if you so wish.

The screenshot shows two login forms on the accomotel website. The left form is titled 'Client Log On' and the right form is titled 'Apartment Log On'. Both forms have the same structure: a heading, a prompt to enter username and password, a link to register if no account exists, input fields for Username and Password, a 'forgot password?' link, a 'Remember me?' checkbox, and a 'Log On' button.

Submitting & Tracking your Request: Your Request will be transmitted to all chosen properties. You can keep track of your Requests through Client Hub where each row represents a different Request (to one or more properties). The colour of each row will change as the Request is processed and its status changes, allowing an immediate oversight on all Requests.

Receiving Quotes and making your Booking: Because each Request may have gone to several properties, then within each Request (clicking the Ref link far left in table above) you will be able to track the properties' responses (below), either as Quotes or as Declines (with reasons given for Decline). Should you not receive a response, there is a facility to chase the property as well as arrange a Viewing or you can proceed to make your Apartment Reservation.
